Hi! I'm Tom Kenneth. I'm 13 years-old. I want to tell you about my favorite sport and sportsperson. I like all kinds of sports but my favorite one is tennis. In tennis, I need a tennis ball, racket and net. My favorite sports person is Serena Williams. She is a famous tennis player. She is from America. She has won four Olympic gold medals. She is really successful. She always goes jogging. Her favorite food is grilled fish, vegetables and lots of fruits. Good athletes need a healthy body.
