

Watch a clip from an interview with LADY GAGA and fill the blanks in the script:

LADY GAGA (talking about Ariana Grande):

I was sitting at the console and _____-1- to her, and I remember I said to her, 'OK, now everything that you care about while you sing, I want you to _____-2- it and just, and just sing. And by, and by the way, while you're doing that, I'm gonna dance in _____-3- of you. 'Cause we had this huge big window, I was like "I'm gonna dance in front you. And she was like, 'Oh my God. Oh my God, I can't, I can't. I don't _____-4-. Oh my God. OK, OK.' And then I did it and she _____-5-, and she started to do things with her voice that was, that was _____-6-. And it was the joy of two artists going like 'I _____-7- you. And I see all the things that we all... humans do this, we create things that make us feel comfortable. (?) I do it all the time'"
