Listening strategy

In some activities, we have to identify information about prices, dates, and times. Think about the different ways we can express this information in English, for example, we can say *four fifteen* or *a quarter after four*.

136 Listen to five dialogues. Choose the correct alternatives.

- a The customer takes the 7:45 / 8:30 bus to Chicago.

b A one-way / round-trip ticket costs \$14.
- a She buys a one-way / round-trip ticket.

b The assistant gives her \$12 / \$2 change.
- a The next bus to Houston leaves at 4:15 p.m. / 5:45 p.m.

b The café is near / in the bus station.
- a She's coming back today / tomorrow.

b She's going hiking with her uncle / friends.
- a There are two buses / is one bus on Sundays.

b The trip takes two hours / two and a half hours.
