

10 MOST BIZARRE RESTAURANTS IN THE WORLD

Watch the video and match the descriptions to the names

Ithaa Undersea Restaurant	It's in Taiwan and everything there is related to toilets.
Ninja New York	It is decorated for girls and women to feel like princesses in a fairytale.
Modern Toilet	This restaurant serves all its meals underwater and sits no more than 14 people.
Redwoods Treehouse	It's like a prison: people eat in cells and waiters wear prison uniforms.
Lumilinna Snow Castle	It's an underground labyrinth similar to a Japanese Feudal village. The waiters wear ninja clothes.
Princess Heart Restaurant	It's in Canada and all the staff members are blind. Cellphones, digital watches and flashlights are not permitted in the dining area.
Devil Island Prison	This restaurant is in Finland and seats 180 guests in ice tables.
The Rock	This one is located in a very big observation wheel 540 feet above the ground.
Singapore Flyer	It is situated in a town in New Zealand, 32 feet above the ground. The food served is 5-star quality
O.Noir	This is a very small restaurant in Zanzibar for only 24 guests where you can eat local delicacies.
