Michael Smith

Michael Smith is one of the most popular young singers in the country. He is now recording his first album which is set to be released next January. His career started when he was just 15 years old, when he was discovered by a talent scout who saw one of his videos on a famous internet website. He started his channel where he sang covers of famous songs. He became very popular quickly and started to get many followers.

Now he is playing concerts all over the country which is something he enjoys very much, 'I really like to connect with my fans, and I also like to get to see new places'. When we asked him what he liked doing in his free time he said 'I don't have much free time. I'm always travelling, or in the studio. But when I get a chance, I like to spend time with my friends and maybe go for a pizza with them. I also like to spend quality time with my family'.

Being famous is something that has taken Michael by surprise. 'I never thought I would become famous so quickly and it was never my intention. I still get nervous when I see so many people in my concerts, but I'm
sure it will get better with time'.
