ICM INSAN CENDEKIA MADANI	**Chapter 3: Use Complements of Numbers**	Name : Grade : Subject : Date :	
Sequence of Teaching ☐ Exposure ☑ Independent Practice ☐ Mini Lesson / Guided Practice ☐ Assessment ☐ Group Practice		Marks: **7**	Score

1. Match the numbers that add to 100.

45	64
36	48
29	55
52	71

2. Ruby, Tom and Steve have 1000 beads in all.
   The table shows the number of beads Ruby and Tom have.
   a) Complete the table.

Name	Ruby	Tom	Steve
Number of beads	360	290	….

He gave the same number of beads to Ruby and Tom.

He now has the same number of beads as Tom.

b) How many beads did Steve give Tom?
   Show how you can find your answer in the space below.
