

UAE FLAG DAY

RED

The red color represents bravery, strength and courage. Its vertical position embodies the symbol of unity of the nation.

GREEN

Green stands for the nature of joy, optimism, and also showcases the country's ever-growing prosperity and growth.

WHITE

Internationally, white is known as the color of peace. Similarly, white in the UAE flag symbolizes the country's peace and purity.

BLACK

Many believe that the black represents the oil, but it actually signifies the strength of mind and standing against enemies.
