B. IELTS PRACTICE

MINDSET FOR IELTS LEVEL 2 – UNIT 7 - READING

05 Read this short text and then complete the flow-chart using **ONE WORD ONLY** from the text.

Studying abroad as an international student can be an enriching experience. If you have a good level of English, you will face the difficult decision of deciding which university you would like to apply to. Once you have chosen, you can contact the university directly in order to apply.

In order to successfully obtain a place at university, you will need to get a visa to study at the university of your choice. In order to obtain a visa, you will need proof of admission to the college. You will also need to show that you have enough funds for the first year of study. After you have done this, you can apply for a visa. Once you have received a visa, you can start to look for flights and also try to find somewhere to live. This is something that you don't need to worry about, as each university has an accommodation team to help you. Furthermore, preferential treatment is given for new students from abroad.

Step 1 – Choose a university and enrol

Once you have chosen, you can apply
1 _____ to the university for a place.

Step 2 – Apply for a student visa

Once you have confirmation of 2 _____
and adequate 3 _____ for the first year,
you can apply for your visa.

Step 3 – Book your flight and accommodation

You can book your flight online and each university
has an accommodation team that can help you find a
place, especially for 4 _____ students.

No smoking on **campus**.

All **assignments** should be submitted to the student information centre by the deadline given by your tutor.

All undergraduates must attend the **lecture** on study skills on Thursday.

Information on teacher training courses is available from the **Faculty** of Education.

To **enrol** on extra courses, please visit the university website.

To find out how to **fund** your university course, visit our careers centre on the first floor.

The university offers a selection of courses for both **undergraduates** and **postgraduates**. For more information on our **Bachelor's degrees** for undergraduates or our **Master's degrees** for postgraduates (students who already have a first degree), please take a prospectus or visit the student information centre.

02 Match the words in bold in the notices with definitions 1–10.

- 1 a formal talk given to a group of people in order to teach them about a subject
- 2 to become or make someone become an official member of a course, college or group
- 3 to provide money for an event, activity or organisation
- 4 a piece of work or job that you are given to do
- 5 the land and buildings belonging to a college or university
- 6 a particular department at a college or university, or the teachers in that department
- 7 a higher university qualification that usually takes one or two more years of study after your first degree or qualification
- 8 a student who is studying for their first university degree
- 9 a university degree that is given after a course of study that usually takes three or four years
- 10 a student who has one degree and is now studying at a university for a more advanced degree

MINDSET FOR IELTS LEVEL 2 – UNIT 6 – LISTENING
