- | | | |
|------------------------------------|------------------------------------|------------------------------------|
| ☐ bears | ☐ rabbits | ☐ insects |
| ☐ foxes | ☐ turtles | ☐ squirrels |
| ☐ hedgehogs | ☐ all birds | ☐ lions |
| ☐ snakes | ☐ tigers | ☐ camels |
| ☐ wolves | ☐ mice | ☐ frogs |

What animals migrate in winter?

- | | | |
|------------------------------------|-------------------------------------|------------------------------------|
| ☐ some fish | ☐ some birds | ☐ some mice |
|------------------------------------|-------------------------------------|------------------------------------|

What do squirrels store for winter?

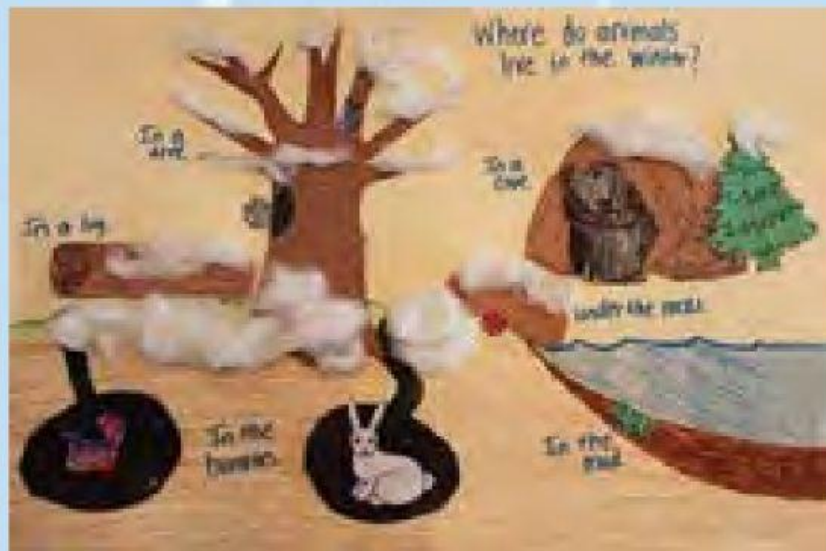

- | | | |
|----------------------------------|------------------------------------|----------------------------------|
| ☐ nuts | ☐ flowers | ☐ carrots |
| ☐ berries | ☐ mushrooms | ☐ milk |

What do animals use to make warm bed?

- | | | |
|---------------------------------|---------------------------------|---------------------------------|
| ☐ cotton | ☐ leaves | ☐ sticks |
|---------------------------------|---------------------------------|---------------------------------|

Draw a picture of hibernating animals.

Take cotton and glue and imitate snow that covers the trees and the ground.

**IT'S WINTER SOON. IT'S COLD.
WHERE CAN THEY HIDE?
PLEASE HELP THEM FIND A WARM
HOME TO HIBERNATE TILL SPRING.**
