### 1 FUNCTIONAL LANGUAGE: Ordering food and taking food orders

A Put the conversation in order.

- ☐ Oh, I'm allergic to nuts.
- ☐ Perfect! I'll be right back.
- ☐ It comes with avocado, tomatoes, potatoes, peanuts, and the house dressing.
- ☐ Well, today's special is the chicken salad.
- ☐ Oh, OK. No nuts. Anything to drink?
- ☐ OK, we can add almonds instead.
- ☒ 1 Hi, are you ready to order?
- ☐ I mean, I'm allergic to all kinds of nuts.
- ☐ What does it come with?
- ☐ I'll have a soda.
- ☐ Yes, what do you recommend?

### 2 REAL-WORLD STRATEGY: *I mean*

A Complete the conversations with the correct expressions.

B Excuse me? What <sup>1</sup> comes with the burger?

A It comes with lettuce, tomato, and avocado.

B <sup>2</sup> \_\_\_\_\_, do French fries come with it?

A You can have French fries and a drink for two dollars more.

B Oh, OK. <sup>3</sup> \_\_\_\_\_ just a burger, please.

A How was the food?

B It was very good, thanks.

A <sup>4</sup> \_\_\_\_\_ some dessert?

B Not today, thanks. <sup>5</sup> \_\_\_\_\_?

A Sure. Here you go.

### 3 FUNCTIONAL LANGUAGE AND REAL-WORLD STRATEGY

A Read the situations in the chart. Write the correct response to the questions and suggestions.

|                                 | Server                                                   | You                                   |
|---------------------------------|----------------------------------------------------------|---------------------------------------|
| You are allergic to milk.       | "The chef says there is some yogurt in the dressing."    | I mean, I can't have any milk at all. |
| You are on a diet.              | "Can I get you a dessert?"                               |                                       |
| You are vegetarian.             | "The soup is made with chicken, rice, and vegetables."   |                                       |
| You want to order dessert.      | "Would you like anything else?"                          |                                       |
| You ordered the grilled salmon. | "Here's your order, fried fish with grilled vegetables." |                                       |

B Choose one of the situations about diets in exercise A. Think of an idea for a food truck that sells food for people with this special diet. Complete the chart below with the information about your food truck.

|                                   |  |
|-----------------------------------|--|
| The name of your food truck:      |  |
| Who your customers are:           |  |
| Specials and how they are cooked: |  |
| The price of your food:           |  |
