Watch the video and answer the questions about the video on word choice.

Think about the words Liz originally used with her mother and how she changed them.

1. What did she change she "did [her] homework" to?
2. Why did she make those changes?
3. What did she change "Can you pony up about 20 dollars?" to?
4. Which word choice is stronger: practiced my dance routine or perfected my dance routine?
