The children saw a man who was fishing. "Our gold ball went into the river. Can we borrow your net to get it, please?" asked Emma. The man agreed. The children thanked the man, and went to find the ball. "I can't see the ball from here", Emma said. "I know! If we stand up there on that bridge, we can see better", said Emma. "Good idea", said Richard. "Let's try". Therefore, they stood on the bridge and tried to get the ball in the net. Then Emma's hat fell off her head and into the river, too!
