

Concert Tickets

Diandre

Diandre's roommate bought concert tickets to see Diandre's favorite band. Diandre has to pay his roommate \$60.00 for the ticket. But first he looked at his budget. Diandre decided to use \$30.00 for entertainment and \$25.00 for clothes to help pay for the ticket. He still needs \$5.00 more. He went online to look for coupons to save money.
