

## WISH YOU WERE HERE – PINK FLOYD

Pink Floyd were the **architects of two major music movements—psychedelic space-rock and blues-based progressive rock—**and became known for their biting political, social and emotional commentary.

HELL – SMILE  
– HEAVEN –  
PAIN – GREEN

So, so you think you can tell  
\_\_\_\_\_ from \_\_\_\_\_?

Blue skies from \_\_\_\_\_?  
Can you tell a \_\_\_\_\_ field  
From a cold steel rail?  
A \_\_\_\_\_ from a veil?

Do you think you can tell?

GHOSTS –  
TREES –  
EXCHANGE –  
WAR – HEROES

Did they get you to trade  
Your \_\_\_\_\_ for \_\_\_\_\_?  
Hot ashes for \_\_\_\_\_?  
Hot air for a cool breeze?  
Cold comfort for change?  
Did you \_\_\_\_\_  
A walk on part in the \_\_\_\_\_  
For a lead role in a cage?

How I wish \_\_\_\_\_  
How I wish \_\_\_\_\_ (you – be – here)

We're just two lost \_\_\_\_\_  
Swimming in a fish bowl year after \_\_\_\_\_  
Running over the same old ground  
What have we found?  
The \_\_\_\_\_ old fears  
Wish \_\_\_\_\_ ( you - be – here)

YEAR –  
SAME –  
SOULS
