

Stating a Point, supporting it, & reiterating it.

A. Do you pre-order items online or not? What's your reasoning behind your decision?

B. Watch this minute clip about someone's viewpoint *against pre-ordering* & answer the questions: *(the speaker is a friend of the Youtuber "Yahtzee")*

1. In his argument, what is the **order of events** when someone pre-orders something?

- _____ you get an e-mail for when your order is ready
- _____ you are added to a newsletter list advertising other (game) titles
- _____ that list puts you on another list for coupons and game sales
- _____ you get a confirmation e-mail of your pre-order
- _____ you receive an update on the status of your pre-order
- _____ you get another email asking you to review and rate the game and services that you received

2. How does he summarize his opinion at the end of the clip?

1. _____, Yahtzee, is that pre ordering leads to a _____ _____ and in today's hectic world the _____ clutter the _____.

3. What words or phrase *could* he use to be more **formal** to introduce his conclusion?
4. Has this sequence of events happened to you before? What did you pre-order and what happened?
