Read the following texts. Identify and then answer the following questions based on the texts!

Text 1: Cars and Accidents	Text 2: The importance of English
<p>Car is the most popular transportation. However, there are many different causes of car accidents in streets.</p> <p>Firstly, sometimes accidents are caused by bad weather. Water or snow can make roads very dangerous.</p> <p>Secondly, accidents also can result from problems with the car. Even a small problem like a flat tire can be serious. Bad roads are another cause of accidents.</p> <p>Thirdly, some accidents are caused by drinking too much alcohol</p> <p>Knowing some factor causing accident is extremely important to prevent accident while driving</p>	<p>English is an International language. I personally think that English is the world's most important language.</p> <p>English is spoken by many people all around the world, either as a first or second language.</p> <p>Moreover, English is also the key which opens doors to scientific and technical knowledge, which is needed for the economic and political development of many countries in the world.</p> <p>Furthermore, English is a top requirement of those seeking jobs. Applicants who master either active or passive English are more favorable than those who do not.</p> <p>From the fact above, it is obvious that everybody needs to learn English to greet the global era.</p>
