Task 2: Read and write T (True) or F (False).

Tony's last camping trip was one year ago. It was fascinating. He went there with his classmates. They stayed in tents by the sea. When they got there, they had to learn so many things on their own. They fished and they learned how to fix a tent. They used ropes and poles. The weather was cold there and at night it even becomes colder. That's why they had their warm sleeping bags with them. They always kept their torches handy in case they needed to go somewhere as it gets dark very soon there. In the morning, they cooked their breakfast using a frying pan on an open fire.
