SACRAMENTO POLICE DEPARTMENT DESCRIPTION PAGES

Providing an accurate description:

A good description of a suspect/suspicious person or a suspicious vehicle is vital for patrol officers who are responding to a report of a crime in progress or that had just occurred. When you call the police, the dispatcher may ask you a number of questions. Please stay on the line and try to answer all the questions as accurately as you can. If you do not recall a detail, tell the dispatcher you cannot remember and do not try to guess. Inaccurate information may throw off a responding officer.
