Dear Jack	We sat on the sand until the sun set
This summer we are visiting Dorset	We went on a fossil hunt
The caravan park is near the coast	I got a fossil fish
We can hear the gulls at night	The fossil was in a rock.
A funfair was on in the town	I am sure that Bert was afraid of it
I went on the bumper cars.	We went crabbing, too.
Bert was afraid to go near them	It was the best!
We went to a farm for kids.	I got a crab in my bucket.
The farmer let us feed the goats	Bert was afraid of it!
Bert was afraid to go near them	We let it go.
We got fish and chips for dinner	Hugs and kisses from all of us.
It was the best!	Bye bye
