

Dear Granny,

This weekend, there [] a mountain biking competition. There [] lots of people. The park was less [] than the village, so Mum and Dad watched the competition from there.

The competition was very []! Some parts of it looked dangerous. The winner was [] than everyone else. She was very brave!

After the competition, we [] to the modern café because it was less expensive than the café at the [] castle. Next time, you have to come, too!
