THE FOOTBALL MATCH

Last Saturday I watched TV in the afternoon. My favourite football club played against another very good team. My favourite player scored two times in the first half, but another player stopped him. So the trainer shouted and shouted because he was really angry about the foul. I was angry too. I also yelled[1] at the TV and I jumped up and down like a madman, but only my mum could hear me. She hurried inside. When she came in, she looked at me with her eyes wide open. When I saw her face I said: "Sorry, Mum!" After 93 minutes the game ended and my team won the match! The winners danced and jumped around. They also had a cup in their hands. The losers only had medals around their necks. They were really sad…

…When my dad arrived in the evening, he was sad too. Do you know why?
