

REPASO DE LAS TABLAS DE MULTIPLICAR

4 - 5 - 6

A multiplication wheel for the number 4. The wheel has a red border with yellow stars and a central yellow circle with "x4". The numbers 1-10 are arranged around the center. Below the wheel are several numbered balls: 32, 8, 20, 16, 12, 4, 24, 36, 28, 40.

A multiplication wheel for the number 5. The wheel has a red border with yellow stars and a central yellow circle with "x5". The numbers 1-10 are arranged around the center. Below the wheel are several numbered balls: 35, 20, 15, 10, 5, 50, 25, 30, 45, 40.

• Resuelve las siguientes operaciones.

$4 \times 9 = \square$

$5 \times 6 = \square$

$6 \times 2 = \square$

$5 \times 3 = \square$

$5 \times 9 = \square$

$4 \times 5 = \square$

$6 \times 5 = \square$

$6 \times 3 = \square$

$5 \times 5 = \square$

$4 \times 2 = \square$

$6 \times 4 = \square$

$7 \times 4 = \square$

$5 \times 8 = \square$

$6 \times 9 = \square$

$6 \times 6 = \square$

$6 \times 8 = \square$

$5 \times 4 = \square$

$6 \times 5 = \square$

$4 \times 4 = \square$

$5 \times 7 = \square$

$4 \times 6 = \square$

$6 \times 7 = \square$

$4 \times 10 = \square$

$4 \times 8 = \square$
