

Composition

Write a paragraph about (Technology) using the notes in the table below:

Guided words: driven – advancement-important role - development – human civilization- electronic Appliances- gadgets- comfort - revolution – fields- reduced -effort - increased -efficiency -production - requirement -comfortable-enjoyable.

Technology

We are living in a world driven by technology. The advancement of technology has played an important role in the development of human civilization. The electronic appliances, gadgets, have added to the comfort factor in our lives. Technology has brought a revolution in many fields. Technology has reduced the effort and time and increased the efficiency of the production requirement in every field. It has made our life easy, comfortable, healthy, and enjoyable.
