

## Practice

### Adverbs of manner

#### 1. Complete with the correct adverb of manner.

I can play guitar really well (good). I learned \_\_\_\_\_ (quick) when I was a child and went to guitar lessons with my brother. He doesn't play too \_\_\_\_\_ (good) but he studies and practices really \_\_\_\_\_ (hard). At first, it was difficult because we got angry any time we did it \_\_\_\_\_ (wrong). But, once we started to practice \_\_\_\_\_ (regular), we became better and I wasn't scared of doing it \_\_\_\_\_ (bad). I learned a lot in my guitar lessons. For example, the importance of being punctual and patient. I couldn't arrive \_\_\_\_\_ (late) because there were other students after me. And I had to be patient because when you play \_\_\_\_\_ (angry) your music doesn't sound nice.
