Look at the picture and read the story.

Earlier this year, Emma, Frank and Harry started a band. Frank plays the electric guitar, Emma plays the drums, Harry plays keyboards and they can all sing. One day, Frank found an advertisement online: "Musicians and bands wanted for this year's summer festival."

"Look! Let's play at the summer festival," said Frank. And everyone agreed.

But when Frank called the organizers, there was bad news. "They've already booked the bands for the festival. We're too late," said Frank.

"We can still go and watch," said Harry. "And let's make it our goal to play at next year's festival." So, they practiced every day and quickly improved.

A few weeks later, they went to the festival. When they arrived, a man was speaking into a microphone. "I'm sorry, but the next band on the list hasn't arrived."

"We can play!" shouted Emma. Harry and Frank looked surprised.

"We've been practicing for months, and we know lots of songs," explained Emma.

So, the man gave them some instruments and they went onstage. They played all their songs, and they were a huge success! "Will you come back next year?" the man asked. "Yes, please!" they shouted. And everybody cheered.
