

You are the flame in my heart
You light my in the dark
You are the ultimate
You lift me from up
Your unconditional love
Takes me to
I belong to you and you
You belong to me
You make my life
You make me feel so
You make me so divine

Your soul and mind are entwined
.....you I was blind
But I've opened my eyes
And with you there's no disguise
So I could up my mind
I always loved you from the start
But I could not out
That I had to do it
So I put away the
Now I'm gonna live my life
Giving you the in every way
