

EXERCISE 9

Read the sentences from the paragraph. Then match the sentences with the information.

- A** Many students use computers to help them with their school work.
B I think there are advantages and disadvantages with using computers at school.
C Firstly, using computers can be helpful for finding information about different school subjects.
D For example, students can find websites and games to help them learn a different language.
E Secondly, young people enjoy using new technology and they often work better when they use computers.
F However, using computers can also stop young people from studying because there are so many other things they can do.
G For example, they might check their email, play games or watch videos instead of working.
