"You Lost Me"

I am _____, smoking gun
We _____ it all, the love is _____
She _____, now it's no fun
We _____ it all, the love is _____

And we _____ magic
And this is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected
And somehow you _____me neglected
We _____ our lives been changed
Babe, you _____ me

And we _____, oh how we _____
We _____ ourselves, the love _____
And though we _____ you can't deny
We're left as shells, we lost the fight

And we _____ magic
And this is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected
And somehow you _____ me neglected
We've found our lives been changed
Babe, you _____ me

Now I know you're sorry and we were sweet
But you _____ lust when you _____ me
And you'll regret it, but it's too late
How can I ever trust you again?

I feel like our world's been infected
And somehow you_____ me neglected
We _____ our lives been changed
Babe, you _____ me
