Choose <u>the correct variant</u>.

Although my friend Tom has lived in the city for three years, he still _____ it. He _____ live in the country so he _____ living in a more peaceful environment. His first few days in the city were so unpleasant that he wanted to move straight back home, but he found a job and decided to stay.

That's when I met him. He _____ come into the office with his coffee every morning and he _____ often stop and talk for a while about what his life _____ be like in the country. His family _____ have their own vegetable garden and his mother _____ prepare wonderful meals. In autumn, they _____ go for long walks and they _____ collect wild mushrooms. Tom made it sound so wonderful that, at one point last year, I decided to quit my job and leave the city forever. But I didn't. I _____ the noise and excitement of the city and I know I wouldn't feel at home in the country. And what about Tom? He finally _____ the city and is enjoying it now.
