NEW YEAR'S EVE –
ONE TO REMEMBER OR ONE TO FORGET?

MINA This was last year, and I went to a hotel with some friends. It had a bar on the top floor, and that's where the party was. We got there at about 11.00. About half an hour before midnight I realized I didn't have my phone – it was in my car. So I took the lift down to the car park. I found my phone, and then I got back into the lift – I was the only person in it. But then, between the third and fourth floors, the lift stopped completely and I couldn't get out. I pressed the button and asked for help, but a guy said there was an electrical fault and I needed to wait. Then a few minutes later, I could hear people outside celebrating. It was awful – I didn't get out until almost 1.00 in the morning. And on top of it all, my friends didn't realize that I wasn't there!

1- Where did Mina go?

2-Why did she go to the car?

3- What happened when she was comming back to the party?

4-Could she enjoy the party?

5- Why is she angry with her friends?
