

TEMA 2 - FRACCIONES

FRACCIONES EQUIVALENTES

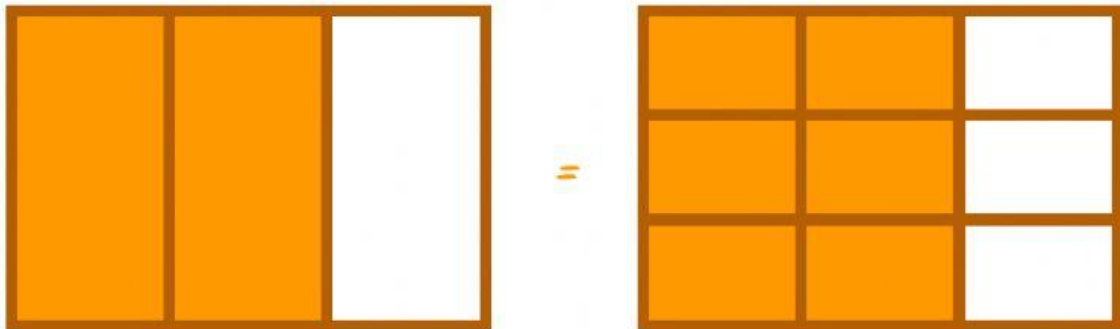

FICHA - 31

Dos fracciones son equivalentes cuando representan la misma cantidad.

Mira!:

$$\frac{2}{4} = \frac{1}{2}$$

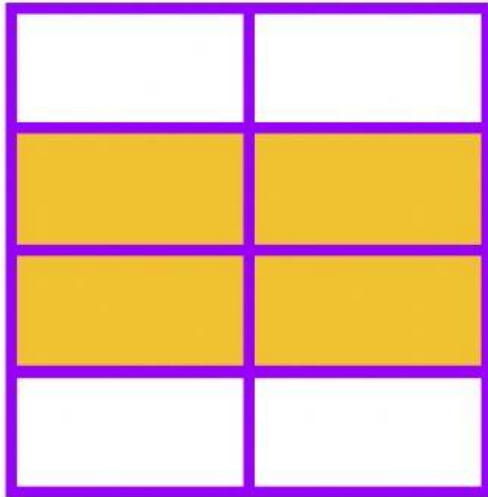

$$\frac{2}{3} = \frac{6}{9}$$

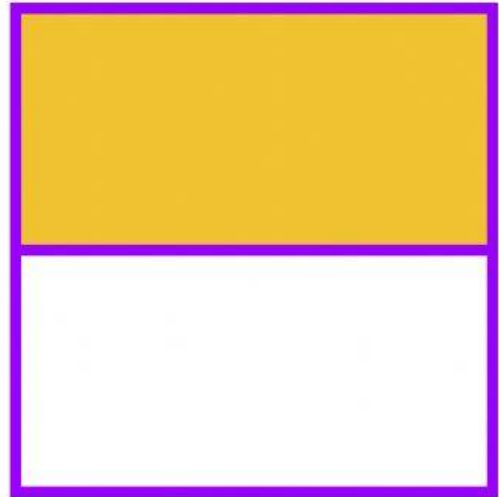

¿Alguna duda?

AHORA TÚ...

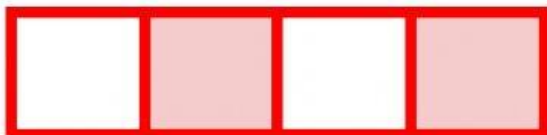

1. Mira los dibujos y completa las fracciones equivalentes:
