I'm really into computers. I can write computer programmes and I love computer games. ¹ ___ Mine was too old to play the latest games. I started saving some of my pocket money each month. Still, it wasn't enough for a new computer. ² ___ At the same time, I entered a competition sponsored by some IT companies. They wanted young people to create an interesting app. ³ ___ I created it and sent it to the organisers. A few weeks later, I got an email saying that my app won the competition! ⁴ ___ And the main prize? Well, it was a brand new game console! And it came with some other equipment, too. ⁵ ___ I've already played lots of games and it was great.

- A** So, I got a weekend job in a fast food restaurant.
- B** I had to install them first.
- C** There were speakers and a great game controller.
- D** Last summer, I started thinking of getting a new computer.
- E** You can't imagine how cheerful I was.
- F** I had a good idea for one.
