It's Monday! Today, let's go to a school in Karachi, Pakistan. The classroom here doesn't have four walls or doors. But there are a lot of windows! Where is this school? The school is on a bus. The children don't go to a school. The bus goes to them. It's the Bus School! It gets the children in the town. From Monday to Friday, there are classes in math, reading, and computers. There's homework, too. At the Bus School, there's no gym and no art class. But children can run outside. The school helps students. It's a very cool school!
