ANGELS LIKE YOU by Miley Cyrus

Cross out the mistakes and write the missing words.

Mmm, mmm, mmm
The flowers in _____, waiting for me
Every word in poetry
Won't call me by my name, only baby
The more that you _____, the less that I need
Everyone _____ I look happier
When it feels right

Chorus
I don't know that you're _____ for me
Gonna wish we have never met on the day I leave
I brought you _____ to your knees
'Cause they say that its misery loves _____
It's not your _____ that I ruin everything
And it's not your fault I can't be just what you need
Baby, angels like you can't fly down the hell with me
I'm _____ they always said I would be
La-la-la

I'm _____ they always said I would be
I'll put you down slowly, love you goodbye
Before you let it go, just one more _____
Taking off your _____, pretend that it's fine
A little more hurt won't kill you
Tonight, mother says, "You don't look happy"
_____ your eyes

I don't know that you're _____ for me
Gonna wish we have never met on the day I leave
I brought you _____ to your knees
'Cause they say that its misery loves _____
It's not your _____ that I ruin everything
And it's not your fault I can't be just what you need
Baby, angels like you can't fly down the hell with me
I'm _____ they always said I would be

I don't know that you're _____ for me
Gonna wish we have never met on the day I leave
I brought you _____ to your knees
'Cause they say that its misery loves _____
It's not your _____ that I ruin everything
And it's not your fault I can't be just what you need
Baby, angels like you can't fly down the hell with me
I'm _____ they always said I would be

Angels like you can't fly down hell with me
