

«1973» James Blunt

Simona, you're getting _____
Your journey's been etched **on at to** your skin
Simona, wish I had **knew know known** that
What seemed so strong has been and _____

I would call you up at a Saturday night
And we'd both stay **in out to** 'til the morning light
And we sang, "Here we go _____"
And though time goes by, I will always be
In At To a club with you in 1973
Singing, "Here we go again»

Simona, wish I was _____
So I could see clearly now the _____ has gone
Simona, I guess it's over
My memory plays our tune, the _____ old song
