

Proposed Changes in Education

1. Listen to the audio and join with lines according to what each person says.

Television presenter

- We have worked very carefully to minimize difficulties.

Michelle

- Have you considered long-term effects?

Minister

- Our delegate Michelle is in the ministry.

Journalist

- Indeed, the new minister of education is currently explaining the plan that he intends to implement.

2. Complete the sentences with 5 consequences. Use the first conditional to talk about possible results in the future.

1) If we implement the use of technology in each classroom of the country,

2) If we reduce the educational day to 4 hours of classes,

3) If we reduce the number of subjects,

4) If we eliminate the subject of physical education,

5) If we eliminate the possibility of not passing the school year,
