LIVEWORKSHEETS

Task 2. Read and answer the question.

Crocodiles are large reptiles. They live in Africa, Asia, America and Australia. Crocodiles are in rivers and in lakes. They eat fish, reptiles and mammals. They lived with dinosaurs. The crocodile has got a long and heavy tail, short legs, long and pointed mouth with sharp, strong teeth and small eyes. It can swim and walk.

Lions are the largest members of the cat family and they are carnivorous mammals. They live in Africa, as well as other locations and have short yellow, gold fur. Male lions have manes around their heads and females don't. They have got tails with tufts of hair at the end and their bodies are muscular and sleek for running. They are the kings of the jungle.
