

My family

I love my family. I have two sisters and one brother. I love my mom and dad. Sally is my mom's name and my dad's name is Ben. My mom loves to cook and works at home on the computer.

My dad goes to work every morning at 6:30 and comes home at 18:00.

My little sister, Jen, is 5 years old and she loves to play with Barbie and the dog, Spot. Spot loves to run and jump.

We have a cat, also. The cat is very small and all white. She loves to eat tuna.
