

Simple Past: Writing

Imagine that you went to another country on holiday last year. Your friend is planning to visit the same place and wants to know what it was like. Write an e-mail to your friend saying what you did and why you liked it.

Write 35-50 words.

A screenshot of an email client interface titled 'New Message'. The interface includes fields for 'To', 'Cc', 'From', and 'Bcc'. A large text area for the message body is centered. At the bottom, there is a 'Send' button and a row of icons for download, star, link, reply, trash, and a dropdown menu.
