**Part I. Product reviews on websites often use the present perfect and present perfect progressive. Read and write the proper verbs.**

1. ★★★★☆ **Very Nice Camera!**

By Sammy P.

*order not have have (x2)*

I this camera for 8 months now. It takes great pictures. I any problems with it. It's a little complicated to learn at first, but the instructions help.
I other products from this site and great service.

2. ★★★★★ **Incredible Product**

By Vitafan

*improve lose take*

I these vitamins since last year. They're incredible! My memory .
I have had more concentration and have been doing better in school. I weight and I haven't even been trying! This product is fantastic!

3. ☆☆☆☆☆ **DO NOT BUY**

*respond be ask*

By Adriana J.

I don't know why this company is in business. I never so disappointed with a product in my life. My laptop arrived with a dead battery. The customer service is terrible. I have emailed and called the company numerous times, but they . I for a refund and now am waiting for a response. Order from this company only if you want a defective product.
