

Peep Show

Undoubtedly the funniest thing you will ever see _____ TV, Peep Show has the ability to make you laugh and cry _____ the same time. This groundbreaking show uses special camera angles to make the audience relate _____ the characters like no other. It has been created and produced by David Mitchell and Robert Webb, both of _____ ironically also play the lead roles in the program. The premise of the spectacle is simple, there are two flat mates, David a socially awkward weirdo and Jez a failed musician with Chlamydia. The show has you in stitches _____ beginning to end and lasts for 9 whole seasons, which in my humble opinion are not enough. What is _____, there is a sidesplitting if not somewhat controversial character named Super Hans. He is, _____ a shadow of a doubt, the highlight of the show with his off-key remarks _____ crazy insights. In spite of its critical acclaims, Peep Show didn't achieve consistly high rating, though it _____ have a loyal following of the intelectual elite that understands quality comedy when they find _____.
