

EXERCISE 7

Match the examiner's questions with the student's *clarifying* questions.

If you are not sure what the examiner's question means you can ask a question that *clarifies* it. *Clarifying* means asking for more information that makes the question clearer or easier to understand.

Student: Sorry, could you explain what you mean when you say 'famous'?

Student: Sorry, when you say 'the media', do you mean 'journalists'?

Student: Sorry, when you say 'downside', do you mean 'disadvantage'?

Student: Sorry, can I just check what you mean by 'star'? Are you asking me if I would enjoy being famous?

Student: Sorry, can I just check what you mean by 'celebrities'? Do you mean 'famous people'?

1. Examiner: Is there a downside to being famous?	
2. Examiner: Would you enjoy being a star yourself?	
3. Examiner: Do you think it's right when the media talk about the private lives of famous people?	
4. Examiner: Have you ever met a famous person?	
5. Examiner: How do people become celebrities in your country?
