

Wait a _____

I think I left my _____ on your front _____,
oh oh, wait a minute

I think I left my consciousness _____ dimension

But I'm here right now, right now

(Right now, right now)

Just sitting _____, oh wow

I'm here right now, right now with you, oh wow, oh wow

(Right now, with you)

I don't _____

I'll run _____ through your hair

You wanna run your _____ through mine

But my _____ too thick and that's alright

Hold on, wait a minute

Feel my _____ intention, oh

Hold on, wait a minute

I left my consciousness in the sixth dimension

Left my _____ in his vision

Let's go get it, oh, oh

Let's go get it, oh, oh

Some things don't work

Some things are _____ to be

Some things, they hurt

And they _____ me

You left your _____ at my house

And I read those pages, do you really _____, baby?

Some things don't work

Some things are bound to be

Some things, they hurt

And they tear apart me

But I _____ my word, and you were bound to see

And I cried at _____

When you first _____, "Oel ngati kameie"

Chorus

Some people _____

Some _____ to get by

Some people like _____

Some just rather _____, bye

Chorus

*wait a minute
