

PRODUCTION TIME

Make a letter for a friend telling him/her what you do on vacations, keep on mind:

- places you travel to (3)
- things you do (6)
- people you stay with (5)
- food you eat (free)

At least 120 words, contractions are going to be count as just one word.

Remember capital letters, even you're going to type this letter using SIMPLE PRESENT, you could mix all tenses up, simple, continuous or progressive, and please, the spelling is going to be REALLY important, if you write a word with just one wrong letter, the whole word is wrong, so please, be careful typing...

I wish you guys the best for your next English level, and please always remember, discipline defeats intelligence...

Espero que este largo camino profesional sea la mejor experiencia para ustedes, que se enamoren cada día de sus carreras y sean grandes profesionales, pero primero, grandes seres humanos, la humildad, respeto y empatía deben ser claves en su vida, no pesa tanto lo que ya saben si no el deseo de aprender cada día más, espero verlos triunfando.
