Merry Riana-Most Successful Female Motivators. The book, titled "**dreams of a million dollars**" that's an inspirational book titles and motivatif are inspired from the story of **Merry Riana** a successful woman Entrepreneur at a young age he is a Speaker, Trainer and become a Motivator Women No. 1 in Asia.

Merry Riana who 1.....one of **the most successful women's Motivator and Some** comes from Indonesia, he was born on May 29, 1980 in Jakarta, Merry Riana was born and raised in Jakarta in a modest family. Parents Merry was a businessman and a homemaker. He was the eldest of three brothers. The journey of life Merry in Singapore2.....when a major riot in Jakarta in 1998. Ideals for lectures in the Department of electrical engineering of Trisakti University dispersed because of the incident. He then chose College in Singapore to avoid unwanted things. Daddy Merry decides to send his son to study abroad. And Singapore at that time is a choice makes the most sense because the distance is relatively close, a safe environment and a good education system.

With no business experience and knowledge are adequate, Merry plunging into the business world. He did it because he knew that having a regular job is not enough to fulfill his dream of success in the age of 30. He tried various business opportunities. And try your luck with the thesis business, MLM business, try playing the stocks, all of which ended in failure. Merry also 3.....to practice with dive into multi level marketing despite the loss eventually 200 dollars. Merry 10000 dollar loss even when turning the money in the stock business. Mental illness had fallen though in such conditions still could finish college dear, Merry lost all its investments and slumped. Even so, Merry again rose up and tried hard to become an entrepreneur. Merry start trying from the beginning by studying in earnest about the ins and outs of the market. Once ready, he decided to study in financial planning industry. Merry thought that's the thing that will make it capable of realizing his dream in a relatively short time.

Finished College, the Merry prepare cooked. Along with his friend Tjenderasa who is Alva when in college then and now her husband, the two of them started working together, learning from the experience of successful entrepreneurs, Merry Riana then start from the sales sector in the field of financial services. When Merry began his career as a financial advisor, he must grapple with a host of challenges and obstacles. His parents, professors as well as his friends is less 4.....with the decision of the Merry. Merry when it did not yet have the capability of Mandarin whereas more than half of the population of Singapore is ethnic Chinese. As a foreigners there, experience and relationships Merry is very limited. However, one of the reasons that make Merry relentlessness is a young age and still single so that he feels freer and more risk-taking. Without feeling overly burdened with the possibility of having to fail or succeed, Merry prefers to focus on the experiences and the lessons he could get during the early phases of his career. But Merry strengthens already. He worked 14 HOURS a day, standing near the MRT station & bus stops to offer insurance, even he worked till midnight and just got home at 2 in the morning, not to mention an uncertain income make it was 5.....to return.
