TASK 1. Listen and fill the blank

When I was a young child, I wasn't very good at sports. I couldn't play football and I couldn't _____, but I could run very fast – faster than most of the other children of my age. I remember we had lots of _____ at school and I always won. I learnt to read early and by the age of six or seven I could read all the books for children in the school library. I also _____ my own stories.

I am studying languages at _____ now. My main language is English and I can also _____ French and Spanish quite well and I can read _____ news online. I still enjoy writing and I write lots of articles for the university magazine. I also work on the magazine, because students can help others to write _____. I am also good at speaking and enjoy giving my opinion in _____. I always use my laptop to write presentations which have _____, drawings or video and so I have good IT skills as well. I am still interested in _____ and I take part in lots of university races.
