Subject: Try delicious food

Hi, Tom,

I went to the food market yesterday. There were lots of different foods from all over the world.

I had the *cheeseburger* and *kebab*. Cheeseburgers are popular in the USA. A cheeseburger is made with grilled beef, onions, and cheese. A cheeseburger is often served with tomatoes and salad. Kebabs are a kind of food in Turkey. A kebab is grilled meat on a stick, usually lamb. A kebab is usually eaten with salad, herbs, and bread. They are very delicious. I think I will go there again. Would you like to come with me to try them out?

Your friend,
