PLANTS AND US

Plants give us many things: we get **thread** from **cotton flowers**. We use **wood** to make **furniture** and **paper**. We make **tyres** from **rubber** and **latex** from trees. We make **bread** from **flour**. We use some **plants** to make **perfumes** and **medicines**.

Latex from a tree

Lavander bush

Tree trunks

Chamomile flowers

Wheat

Cotton flowers

thread

furniture

perfume

bread

tyres

infusion
