Hello! I'm Sarah and I live in the city. I always go to a summer camp for my holidays. I like it very much because I meet lots of children. We always have a very good time! We get up early, have breakfast and then we swim in the river until lunch time. We have hamburgers for lunch and we sometimes cook pizza for dinner. In the evening, we sing songs by the fire and I play the guitar. I can play many musical instruments. I love music! We usually have sports competitions, but I don't like sports very much. For my last holidays I went to the summer camp with my friend Carol. It was fun! ☺
