

Time for a snack

Leakena is from Cambodia. She hasn't got a banana for a snack today, she's got a spider. She usually buys one tarantula from a food stall on the way home from school. 'You cook them in **oil** and then add some **salt** and some sugar. They're like chicken or fish. The legs are my favourite!'

Kgosi is from Botswana in southern Africa. He hasn't got any apples today, but he's got some Mopane worms. 'I like sharing them with friends at school. They're great with some **peanut butter** or some rice and they've got more protein than meat. I haven't got any rice today, just 50 worms!'

Jorge is from Oaxaca, Mexico. He's got some chocolate today but he's also got a grasshopper taco. 'My mum cooks grasshoppers in some oil and she always adds some **garlic**. They're my favourite snack and I sometimes buy them at the market'. Bugs like grasshoppers, spiders, and worms are good for you and the planet. They give us protein and they aren't expensive to feed. Which bug do you want to try?
